

Exercise 1

This Exercise is worth 50 TOTAL POINTS

Grade Criteria: Grading for this assignment will be based on how well you have completed and followed these instructions.

1) Set up an individual (personal...your own) email account (not WebCT email).

Email the instructor, from that account (not WebCT) by due date on website calendar, to the correct email address (possible 10 pts).

(See the Contact Page, of the syllabus, for the instructor's HOMEWORK email address.

Include the following information in the email:

Subject Area of the email: The course number and the section number.

For Example: GRC 103 - (include the correct section number) (possible 10 pts).

Message area of the email include: Your full name, Student ID number, and a phone number where you can be reached (possible 10 pts).

Attach: the jumping-fish.jpg, and blog.gif, from the computer graphics homepage, and include the size of the attached graphics, in both bytes and in kilobytes (possible 10 pts).

Also attach an additional graphic, saved from the web, with a maximum size of **40 kilobytes** and state its size in bytes and kilobytes (possible 10 pts).

Make sure that it is a web graphic that has been download from the web...gif, png or jpps (jpegs) only! No bmp, pdf, .ai, .tif, doc, psd, eps files etc. etc. etc.!
